

# Birk Heilmeyer und Frenzel Architekten

Liza Heilmeyer, Dipl.-Ing. Architektin BDA, was born 1975 in Freiburg. Prior to her architectural studies and graduation at University of Stuttgart she accomplished a one-year study programme at Art School Stuttgart. Upon her graduation in 2003 Liza joined Foster+Partners in London. Subsequently, in 2005, she founded her own practice together with Stephan Birk in Stuttgart. Their work has been acknowledged with several awards, among them the prestigious Deubau-Preis for young architects, emerging architects award of weissenhof architecture gallery, North Rhine-Westfalia award for young artists and Europe 40 under 40 - Europe's emerging young architects and designers.

From 2008-10 Liza was an academic researcher at the department ibk2 (Building Technology, Construction and Design, Chair 2). In the years 2010 and 2012 Liza was appointed to the convention of Federal Foundation of Baukultur. Since 2012 the practice operates together with Martin Frenzel.
